

Welcome to Pädaste SPA

THE SANCTUARY OF SIX SENSES

Welcome to Pädaste and its renewed holistic Boutique Spa, where an extraordinary journey into yourself awaits. An experience designed to enrapture every facet of your being. Our commitment lies in curating a holistic sanctuary, in the Pädaste tradition of hospitality, ensuring that each moment resonates with the symphony of your senses crafting an immersive experience that nurtures your body, mind, and soul.

SEE – *Marvel at the breathtaking vistas and untouched landscapes as nature weaves its tapestry around you. Wander through authentically restored manor grounds, where historical allure blends seamlessly with modern design, adorned with intricate Muhu patterns and captivating original artworks that stir the soul and create a setting of genuine hospitality in our tradition of Simple Luxury.*

HEAR – *Enjoy the healing power of near total silence. From there dwell into a modest and curated symphony of sounds, from nature's gentle melodies, to carefully selected harmonies that serenade your senses.*

TASTE – *Indulge in fine gastronomic enjoyment where our internationally acclaimed and Michelin rated Nordic Island's Cuisine meets the world's most critical standards. Or enjoy a simple lunch at the Pädaste Yacht Club.*

TOUCH – *Savor the touch of simple luxury with natural textures and materials unique to our hotel and spa. Feel the texture of bedding and natural fabrics of exquisite quality, an indulgence found nowhere else in Estonia.*

SMELL – *Awaken your senses to the symphony of nature's scents – the mossy forest paths, the breeze over the meadows, the flowering kitchen garden, all with their subtle scent. The aroma of freshly baked delights from our manor's bakery, the inviting fragrance of crackling fireplaces, the delicate essence of natural candles, and our exclusive range of body care products.*

FEEL – *When every sense is ignited to its fullest, you'll encounter an awakening – an unveiling of your true essence, immersed in tranquility. Here, your presence is felt, harmonized in a symphony of sensations that lead you to your most serene self.*

Step into our Natural-SPA realm, rooted in centuries-old Estonian herbal traditions, merging seamlessly with state-of-the-art spa technology. Our commitment to purity ensures that all ingredients are organic, sourced from the pristine nature of Muhu and surrounding Islands, meticulously prepared in our spa kitchen to offer you treatments enriched with pure, natural goodness.

Your journey at Pädaste Spa is a journey, harmonizing all six senses, unveiling an unforgettable odyssey of relaxation and complete rejuvenation. Unwind yourself and enjoy the calm, nature and soul that Pädaste is known for...

Private Pädaste Smoke Sauna ritual with a saunamaster 50-60°C 450 €

Up to 5 guests Time: 2-3 hrs, after the 2 hr guided ceremony you will have your private time in the sauna.

This modern interpretation of the ancient smoke sauna is our signature therapy, a marvel to behold. Nordic fire-rocks are heated for four hours over open alder-wood flames. As the steam gracefully emanates from the natural spring water - birch infusion pored over hot rocks, it brings to life a symphony of four natural elements, while you enjoy the serene beauty of the sea view.

Our guided smoke sauna whisking ceremony imparts a sense of bliss and deep relaxation. Allow the gentle steam and birch twigs to transport you into a profound healing state of both body and mind. With a mellow temperature and high humidity, this sanctuary offers an intimate setting to embark on a two hour guided journey. Emerge from this serene experience feeling renewed, as the whispers of ancient tradition and the rejuvenating power of nature's elements intertwine, leaving you in a state of tranquility.

The Pädaste Smoke Sauna offers a two hour guided journey, for up to five people. It is available from 13:00 and must be reserved at least a day before. Includes use of the Nordic Cold tube.

Healing Hot Spring only for you 38°C 95 €

Up to 2 guests; additional guests with a maximum of 6 persons – 30 € per extra guest
Time: 60 minutes

Nestled within the nature's embrace of the renewed spa lies our Healing Hot Spring with a sea-view, a haven where the sun's energy breathes life into an ancient wellness tradition.

Envision yourself in a small pool, in the corner of Pädaste's park, harnessing the radiant power of the sun to infuse our healing waters with warmth and vitality. It is maintained all year round at blissful constant 38°C with solar energy, inviting you to immerse yourself in its rejuvenating embrace.

Our spring water is drawn from deep well in our park. Soft and enriched with minerals that invigorate and restore your body. Here, no harmful chlorine disrupts nature's balance; instead, the water is gently purified using natural sea salt and conditioned with a special frequency light, a truly unique concept in Estonia. Immerse yourself in these rejuvenating waters, feeling the subtle embrace of nature's healing touch.

Shared use of the Nordic Cold Tub and lounge chairs on the Spa Terrace is complimentary when booking the Herbal Steam Sauna. Please note, that the Healing Hot Spring when booked is only yours to use, but there may be other clients below on the Spa Terrace.
